- To have a catering delivered there is a minimum food order of \$300 before tax and service fee.
- If you cancel the catering within 2 weeks of the event, there may be a charge for the cancellation and will depend on possible food loss.
"Please give us final numbers no less than three days in advance of the event. Each change that occurs less than 24 hours before an event results in a \$50 fee (per change)."
- Credit card information must be provided upon confirmation of your event. We **DO NOT** accept personal checks, cash, money orders, or any form of gift card as payment.
- The food will be delivered in insulated, plastic containers that hold temperature, suitable for serving yourselves. We will come back and pick this equipment up at a specified time.
- When we pick up the equipment or you return it to us (if you picked it up originally), if we do not have all our food containers, you will be charged for them. The food containers cost \$190 each.
- To ensure efficiency, quality and safety please allow our trained staff to unload and set up for you.
- Servers are not included in the above price unless requested and will be an additional cost.
- This catering does not include chafing dishes unless requested and could be an additional cost.
- Due to the fluctuating prices in the food industry (specifically beef, poultry, milk, corn & flour), we can only guarantee prices for one month before the date of your delivery. If your event is more than one month out, a final price will need to be set to reflect increases or decreases in food costs.
- If you decide to serve yourselves, we recommend you have someone serve the food so everyone receives their portion.
- Babe's cannot be responsible if you don't watch the amount of food your guests serve themselves.
- We would like full payment at the time of the event.
- Under Texas Sales Tax code any mandatory gratuity exceeding 20% is taxable
